

Spring 2021 Course Offerings

Registration for University Extension's semester-based courses is allowed through the second class meeting. Specific dates vary by course start date. Talk to your academic advisor about how University Extension courses can work with your degree plan.

Self-Paced Online Courses

University Extension offers a wide variety of self-paced online courses for students who are self-motivated and need more flexibility than semester-based courses can offer. These courses are always open for registration, can be started anytime and taken from anywhere. Students have five months to complete the coursework, and time extensions can be purchased.
